

Build a Stone Age Shelter Build a model of a Stone Age Shelter using recycled materials (cardboard, sticks, grass etc).	Create Cave Art Create a piece of Cave Art (include animals and people). Use chalk, crayon in natural colours (browns, reds, oranges, black)	Hunter/Gather Food Draw a plate of Stone Age Food and then label what you would have been eating. Can you compare it to what you eat now.
Stone Age Tools Create a model of a Stone Age tool that would have been used to hunt animals or to build a shelter.	Would you prefer to live in the Stone Age, Bronze Age or Iron Age? As part of our Year 3 Topic, I want to give the class an opportunity to produce a piece of work for our Topic working wall. Use knowledge from our lessons and independent research.	Skara Brae Create a fact file about Skara Brae - explain what the site tells us about prehistoric life, including pictures of the site and it's location.
Iron Age Roundhouse Draw and label an Iron Age Roundhouse.		Become an Archaeologist Research a prehistoric artefact. Draw and label it and explain why they are important to our history.
